

Concerned parents and friends,

Ainslee's Salt Water Taffy is partnering with the Taft High School Senior Parent Association to help raise money for the Drug and Alcohol Free All night Graduation Party. They have a great program that enables kids to celebrate safely on graduation night. I was able to take part in this program as a student and truly believe in its success.

We, at Ainslee's wanted to find a way that would be easy for everyone involved to be able to donate painlessly and easily while getting something back so we have decided to offer to take care of your Christmas shopping for you this year. What better gift can you send then homemade Salt Water Taffy. We will even take it to the post office for you at no extra charge.

In addition if you would prefer to send the taffy for another holiday (Birthday, Anniversary, or just for fun) you can just note the preferred send date in the comments section of the order form and we will not send the gift out until the proper date. We can even charge your card for the gift in advance so that the parents association can receive their funds in a timely fashion. If you would like to pick up taffy for in town use at our location in Depoe Bay instead of mailing it out you can just bring this letter in and make sure the receipt for your purchase is stapled to this and given to the manager and I will take care of making sure the money will get credited to the fund.

We are donating 10% of all participating Taffy Sales directly to the organization. All you have to do is make sure that THS is listed in the coupon code of this mail order form so that it will be credited properly. If you have any questions about this fund raising program please contact me directly at Oregongirl88@hotmail.com and reference THS fundraising in the subject line so I will know what it is regarding.

Thank you,

Marianne Nelson

Proud Taft High Alumnus Class of 1994 and manager for Ainslee's Salt Water Taffy
